

Scam Alert

"SCAM ALERT!! Members of the public are warned against a fraudulent activity that is making rounds using the name of Tshwane North TVET College and officials.

The College is aware of this and would like to alert the public about the impersonators who are masquerading as officials of the institution or registered students through Social Media.

There are attempts to defraud unsuspecting new and prospective students for college enrolments and bursary applications.

No student is required to pay any amount of money to fast track their enrolment and applications. The College can confirm that this is a scam orchestrated to tarnish the image of the college and character assassination.

If you receive suspicious Social Media inboxes, messages or calls from fraudsters posing as Tshwane North TVET College staff / Members of the SRC, do NOT share your personal details, make any payments or continue with that conversation.

For the record, all official information from the College and registration processes are only done from assigned points in our campuses, College Website (www.tnc.edu.za) and Official Facebook account (@OfficialTNCTVET).

The matter is under investigation and we trust that soon the perpetrators will be brought to task."

TNC Fraud Hotline at 087 057 2668

Help us ensure that TNC resources are used for the benefit of our students, report all criminal and fraudulent activities today by sending an email to hotline@tnc.edu.za; South African Fraud Services (linked to SAPS) at 0800 997 263

Ms. T Tsibogo
